To All Our Fellow Newcomers – THANK YOU for a wonderful Luncheon!

Huge thanks to everyone who attended the 2019 Annual Membership Luncheon. The turnout was amazing – almost 190 guests! We hope you enjoyed visiting with all the Activity Chairs, savoring the delicious lunch, and delighting in our special speaker, Bill White, as much as we did.

So many contributed to the success of the Luncheon. Faith Fine and Joy Rocklin worked diligently to secure the venue, to work with the Deer Valley staff, to arrange for the lovely centerpieces, and to button down all the many extra details. Kathie LaLonde managed ticket sales receipts for months, both mailed and online. Anna Lea Kantor helped so proficiently with coordinating the Activity displays. And thank you to the volunteers, both planned and last minute, who manned the very busy Registration tables (Kitty Imdahl, Kathie LaLonde, and Susanne Burkett) and the on-site Membership coordination (Charlene Geffen, Jean Schmidt, and Ann Fischer). And to all the stalwart greeters and other helpers, please know that we thank you, too!

And extra special kudos go to David Geffen, Keith Fischer, Paul Ziegler, and David DeMartini; they stood outside in the cold and rainy elements with umbrellas and smiles to direct our guests through a difficult parking situation. Thank you.

Countless others helped with organizing and coordinating. We so appreciate all of you for participating – and for joining together in enjoying – such a landmark event!

Fine Dining

*If you are interested in participating in Fine Dining as a group member or as an alternate, please contact Joyce Jamele at joycedjay@icloud.com. Couples and individuals are welcome.
Linda Elbert & Joyce are the co-chairs for this activity.*

Fine Dining is a wonderful way to meet other Newcomers in a more intimate setting. It is for couples and singles who like to cook, eat, and share conversation around the table. Groups dine together once a month at a member's home, rotating locations each month. A menu and recipes for the dinner are provided by the Fine Dining Coordinators (Linda Elbert and Joyce Jamele). There are groups of 8 (4 couples) and 4 (4 singles). !

If you are interested in participating in Fine Dining from November through February , email Joyce at joycedjay@icloud.com. Please advise her of the size group you want to join. If you are currently in Fine Dining and do not want to participate November through February, also let us know! **We need to hear from you this month as our next 4 month cycle begins in November.**

WE NEED ALTERNATES!!! Being an alternate is a fun and easy way to participate. If you are unable to accommodate a group in your home, but want to participate, you can sign up as an alternate. Alternates just fill in when regular member(s) can't attend - they bring one of the menu items to the dinner.

A few reminders about groups working together:

- Each group schedules their own dinner dates with each couple (or single in the singles group) taking a turn to host.
- Dates should be scheduled in a collaborative manner so the most members of the group can participate.
- If a couple or individual cannot participate, it is their job to notify the host and find their own alternate.
- The host prepares the main course and sets the table. Other group members prepare and bring the other dishes.
- Everyone brings their own wine or other beverage.

MARIANNE C. BOHR, French Teacher

I am passionate about French and all things French and I love helping students learn or improve their skills with the French language. I explain things clearly so that students understand. I am patient and I make learning French fun rather than a chore. It can be intimidating to learn another language and I understand that well as I have been improving my French since I was in High School. I structure my lessons specifically around what a student wants to learn and how she/he wants to learn it. We will go as slow or fast through the material as you'd like, and we can meet at your home, my home, or the library.

I was a French major in college, did graduate work in France, worked for a French company and taught middle school French. I love being a teacher and I love my students! I led several student trips to France and I treasure those experiences. One of my former French students wrote to me when I retired, "You are the best teacher I ever had. You and your class were the only bright spots in all of middle school and I will never forget that."

I have also taught adults planning to travel to France or who are simply interested in the basics of the language as well as cultural tips. **I would love to meet and help you!**
