THANK YOU!

Meet your New Board!

Since several candidates on the new Governing Board are fairly new to Newcomers, we thought you would like to learn a little about them. The three Co-Presidents have provided a short background, below, so you can make their acquaintance right now. We are so pleased to introduce them to you! In upcoming months, we'll make sure you "meet" each member of the new Board on these Newsletter pages.

Herb Abbe

I was born in a small Bavarian farming town. Our family immigrated in 1957, first to Atlanta and later to New York City. After high school graduation and a two-year tour with the Army in Vietnam, I entered the international freight forwarding and custom house brokerage business in NY—both working and attending college full-time. I graduated in Business Administration with honors. I started my own company in 1979 and later opened an office in Germany, as well. Unfortunately, the tragedy of 9/11 ended the business. I spent the rest of my time in NY on the Point Lookout Civic Association Board, serving as President for five years. Sandy and I purchased our first Park City property in 1993 and fell in love with the town. We moved to Park City permanently just four months ago and joined Newcomers after our first Coffee in August! We look forward to making many new friends and to contributing to the Club's success for many years to come.

**MEET
and
GREET**

Susan (Sue) Niblock

I am a retired diplomat, with over 30 years of public service in New Zealand, Jordan, Singapore, Belgium, Ethiopia, Russia, Indonesia, Equatorial Guinea, and Washington, DC. I have an undergraduate degree in Psychology and a master's in Public Administration--both of which came in very handy throughout my career! I retired from the Foreign Service in 2019 and moved to Park City when I found out I was going to be a grandmother; my daughter lives here with her husband and now has two small kids (I also have a married son in San Francisco with a third grandchild). I love living in Park City and being with family—I don't ski but I do like to hike with my dog and explore all there is to do in this amazing area. I look forward to becoming more involved with Newcomers and to making new friends.

Heather Tourkin

Most of my adult life I have lived in and around the Washington, DC metropolitan area. I spent years as an interior designer, then added yoga teaching and training to my schedule once my two kids entered high school. [Those "kids" are now in their mid-twenties, one in Boston at grad school, the other working for Ford and traveling the world.] Our family has had a keen interest in Park City for nearly 20 years, so when the opportunity to move full-time to Park Meadows presented itself in 2020 my husband and I jumped at the chance. I'm an avid hiker, willing downhill skier, and bemused mountain biker and skate skier. When not enjoying the gorgeous Park City outdoors, I can usually be found throwing and trimming clay pots.

Monthly Coffee

DATE: Wednesday, November 10, 2021

TIME: 9:30 am-- Socializing, Coffee and Snacks

10:15 am—Program begins
optional lunch afterward

PLACE: **Christian Center Park City**,
1283 Deer Valley Dr., Park City
The Gathering Place, 2nd Floor

SPEAKER: Kyle Friant, Organizing Director, Better Boundaries

Better Boundaries – Independent Redistricting for Utahns

Kyle will talk about Utah's Redistricting process and the work of Better Boundaries, an organization whose goals are to create a more responsive, transparent and accountable redistricting process.

"Why is an independent redistricting commission good for Utah? The Independent Redistricting Commission strengthens our representative democracy by curtailing the practice of gerrymandering - by everyone. This new process is a reasonable approach to redistricting reform. While the Legislature has the final say, Prop 4 created a balanced process to protect our elections from the harmful effects of gerrymandering. The compromise preserves the independence of the Commission and maintains the public's voice in the redistricting process."

Kyle will give details about the seven-member Commission that will recommend maps of congressional, state legislative, and state school board districts for final consideration by the Legislature, which must be adopted by the end of the 2021 legislative cycle.

We request that you be fully vaccinated as you make plans to join us.

PARKING: Parking at the Christian Center (CCPC) itself is often limited. There are spaces across Deer Valley Dr. on **Sullivan Rd.** along the playing fields and tennis courts—after parking there, you can walk to the convenient pedestrian **underpass** for easy access to CCPC. In the other direction, there is a large parking lot at **Walgreens**, then a very short walk up to the venue via **Shortline Rd.** Please carpool if possible and allow a few extra minutes for a little walk.

Downhill Skiing Meet-Up Group

It's been snowing in Park City so it's time to start thinking about downhill skiing! As in past years, our Newcomers' downhill ski group will be held at PCMR. We'll start our meetings in January after the holidays. The group meets once a week and skis intermediate (blue) runs with an occasional black run if anyone is interested. As soon as we've decided on a specific day of the week we'll let everyone know. As per the hiking group this past summer, skiers will need to sign the club waiver, which we'll include in the emailing.

Let's hope for a good snow year with lots of fresh snow that falls during the night and clear and sunny days. Now is the time to start planning for ski tune-ups and binding checks. If you skied with us last year you're already on our email list. If you're new and want to join us (and we're always looking forward to meeting and skiing with new folks) please email Sue and we'll add you to the email list. And contact him if you or someone else (age 10 and up) would like to have an introduction to safe shooting. Several Newcomers have benefitted from Ken's expertise.

Public Service Announcements and Volunteer Opportunities

***Friday, November 5th is the day! Live PC Give PC!** The event brings together local nonprofits, caring donors, and community leaders to contribute both financial resources and innovative ideas to create lasting change. Donations to local nonprofits will reach a wide audience, raising critical operating funds for the people, places and culture of our community.

In 2020, our crazy COVID year, over 6,000 unique donors gave over \$3.4 million to support more than 100 local non-profits! 2021 is the 11th anniversary of this amazing 24hrs of giving event. In COVID times, it continues to be a greater challenge, but The Park City Community Foundation will continue to gather together this needed support.

Please go to www.livepcgivepc.org for more information and to see the more than 100 nonprofits to which you can consider making a donation. Every donor and every gift makes a difference.

The Christian Center is looking for **400 new coat donations by November 1**. At this time the sizes they need most are infant through 3T and 6 through teen for both boys and girls. They ask that all coats be new with tags.

Coats will be distributed on November 4 and 5. Bilingual volunteers are especially needed. Please contact the Christian Center to help. www.ccofpc.org

Please add all these wonderful new members to your Directory!
New directories will be mailed to you next month.
