

NEWCOMERS CLUB OF GREATER PARK CITY

Policy Regarding Refunds

It is our policy not to give refunds when a member (or non-member) cancels their participation in an event. Most of our events require advanced payment for tickets or reservations which are also non-refundable and therefore our organization bears the financial burden if there is a cancellation.

Event organizers keep waitlists for events. If someone is unable to participate, they may request the event organizer to provide them with contact information for someone on the waitlist. In this way, they can use the wait list information to find someone to fill their spot and obtain reimbursement for their ticket from the new participant.

In the case of membership, the annual dues are for 12 months, or any part thereof. We do not provide pro-rated refunds if someone should move away, or otherwise be unable to participate in Newcomers' activities.
